*When I look at the heavens,  
the work of thy fingers,  
the moon and the stars  
which thou hast established;*

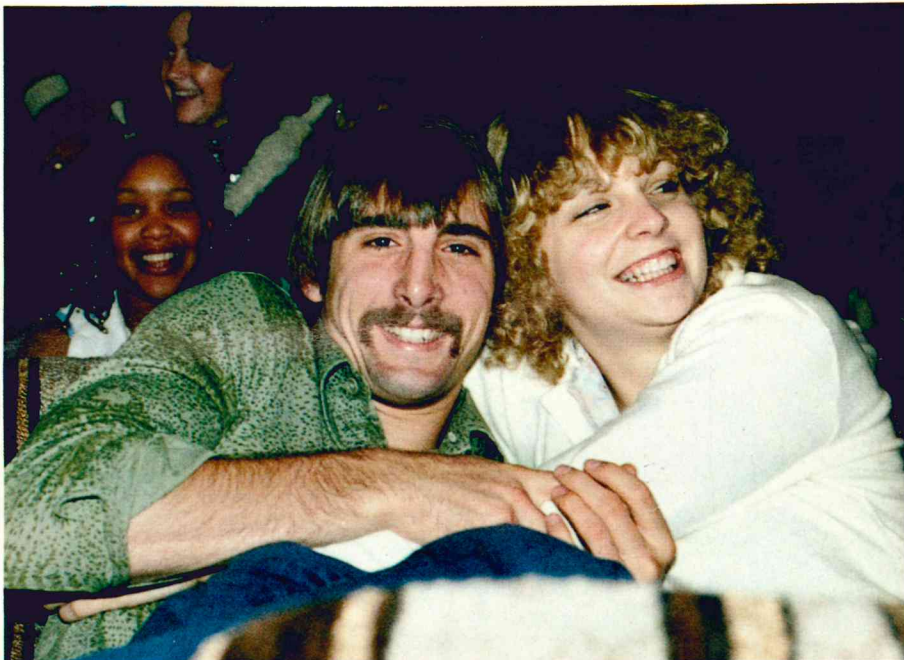

*what is man that thou art  
mindful of him,  
and son of man that thou  
dost care for him?*

*Yet thou hast made him little  
less than God,  
and dost crown him with  
glory and honor.*

*Thou hast given him dominion  
over the works of thy hand;*

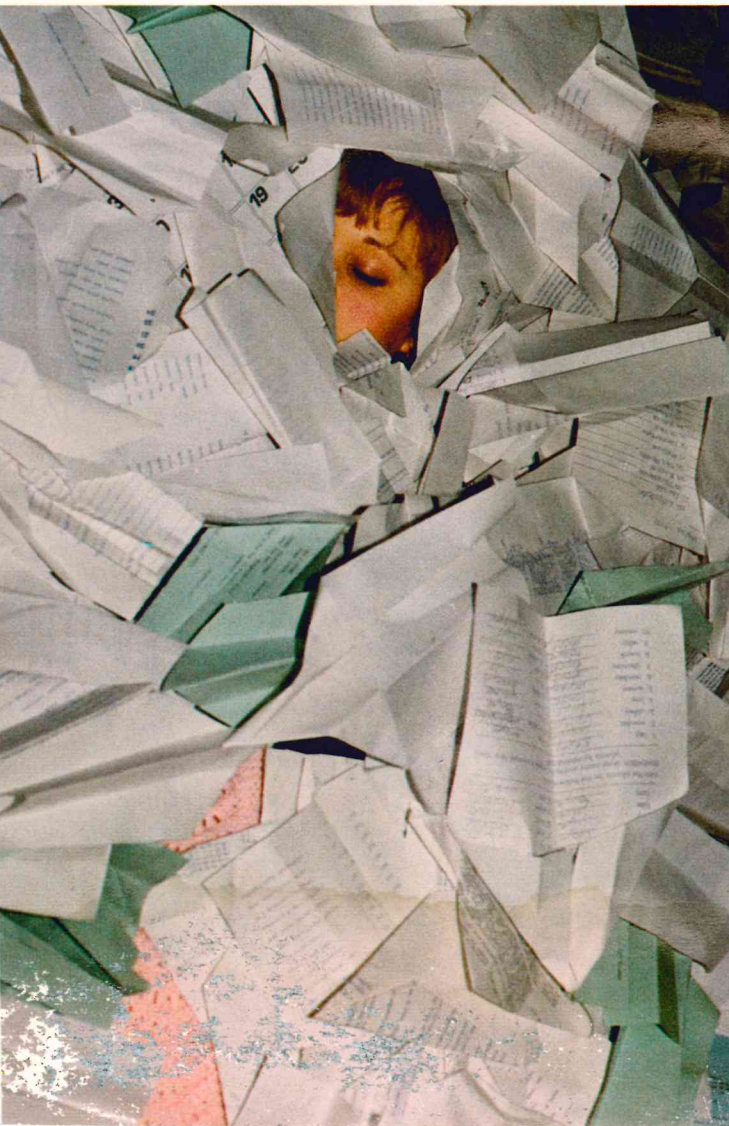

*Thou hast put all things under  
his feet, all sheep and oxen,*

*and also the beasts of the field,  
and the birds of the air*

how majestic is thy name

# ***Activities***

# THE GREAT PUMPKIN PARTY

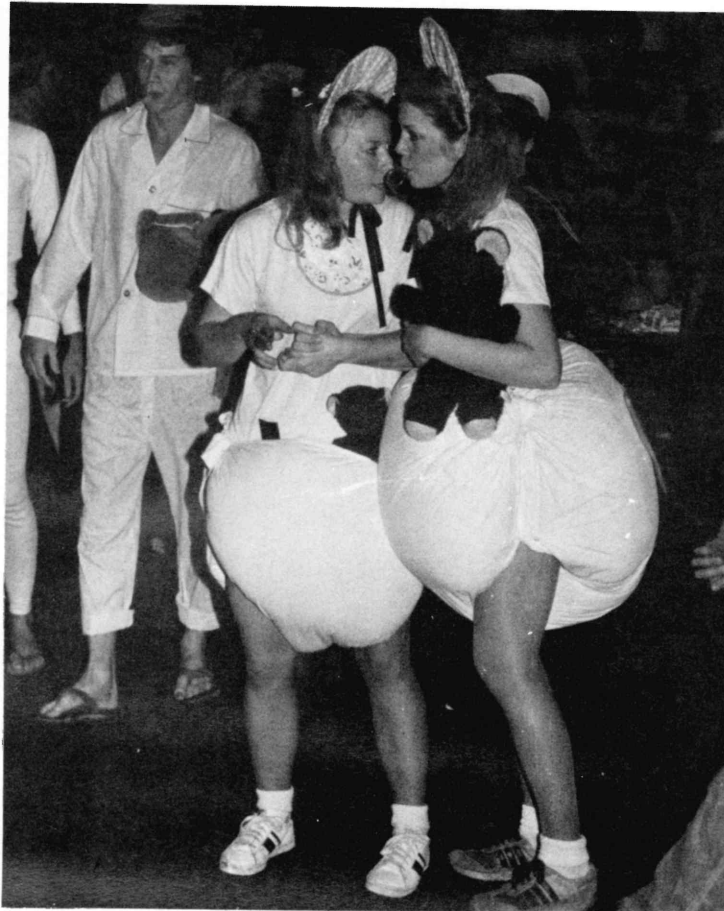

One of the first of many activities planned by the ASCGFC Activities Committee was the Great Pumpkin Party. Great Pumpkin (alias Todd Newell) led in some of the night's pumpkin carols. Pumpkin carnival games like "Pin the tail on the pumpkin" were played while several contests were going on. Other entertainment consisted of movies (starring *Bambi Meets Godzilla*), and special student performances.

Who cares if he's not watching them?

## 11TH ANNUAL RAFT RACE

The ol' raft race tradition was carried on again this year. Homemade rafts concocted of inner tubes and twine (and lots in between) gathered at the waterside. They had a special send-off this year from U.S. Senator Mark Hatfield. Reminiscent of the Lewis and Clark journey, the rafts paddled down the Willamette, guarded on either side by dark evergreens and on top by a leaden sky.

4

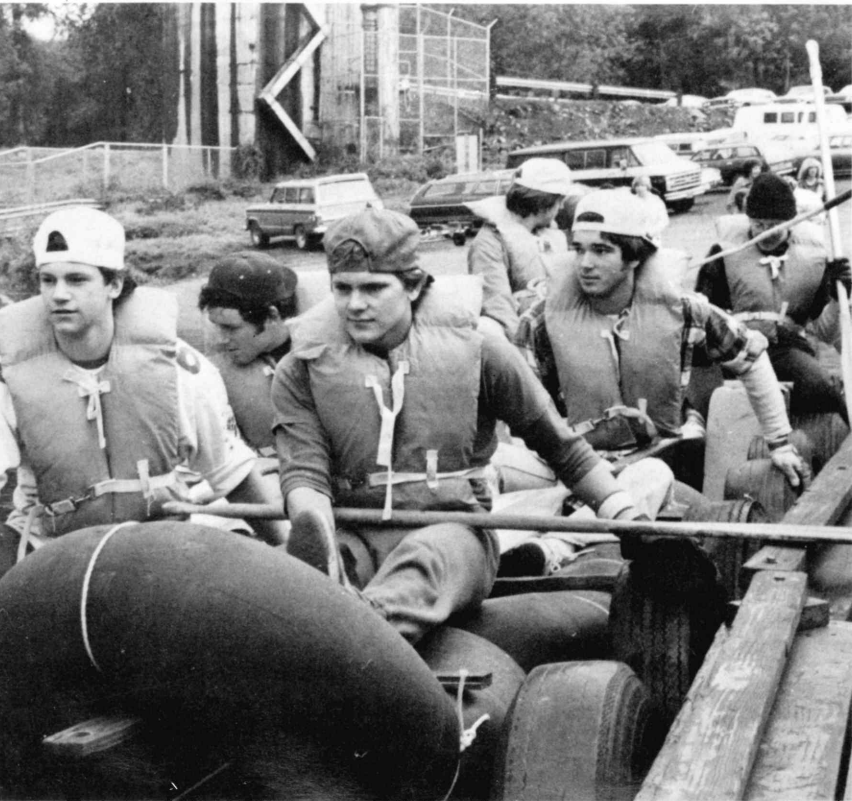

1) "The Titanic II" is determined to make waves. 2) Jim and Ken try to convince U.S. senator Mark Hatfield that it would be good politics for him to start the raft race. 3) The "Macy II Pirate Crew" finishes strong, and even ties for the "most original raft." 4) With Jerry Brown catching, Sue Banta awaits another swing at Mike La Bounty's pitch. 5) The winning raft, the "U.S.S. Titanic" with an energetic crew aboard, paddled to a 66-minute, 52-second finish. 6) The "Lewis and Clark Expedition" tied for the "most original raft," despite Cris Pike's disbelief. 7) "The Kansas Kids plus Two" come in 46 seconds behind the champions to assure a second-place finish. 8) And THEY'RE OFF... (their rockers?) 9) Jinnie Willard shows jubilation and glee upon discovering that her raft will be pulling a water skier.

## ICE CREAM SOCIAL

"Bald Peak" and "Scooper Dooper" are only two of the terrifidaculous treats that were served at the Archibald Beam's Ice Cream Social sponsored by the Activities Committee November 11, 1980. Some of the evening's entertainment consisted of movies and performances by a live Dixieland Band and a quartet. With candy being sold down Sweet Street and ice cream treats purchased down Ice Cream Way, the guests were able to have a sticky time with their "sweet" heart.

Club) pose for admirers. 11) This antique served cashier Wes Oden well.

## A FAMILY CELEBRATION OF CHRISTMAS

Individual invitations were sent to GFC faculty, staff, and students inviting them to attend the annual Christmas banquet. Student Body President Mike LaBounty was the MC for the semiformal celebration. A variety of singers performed. GFC President David Le Shana played a part of the "Family Celebration" theme by reading the Christmas story.

## 

"Record Breaking" was the theme for this year's Homecoming. Students showed their originality by setting records from sitting in the fountain to staying up until wee hours in the morning making paper airplanes.

The 1980 Homecoming court consists of Queen Vicki Morgan, Junior Princess Judy Comfort, Sophomore Princess Sarah James, Freshman Princess Londa Beebe, and Basketball Princess Cindy Zweigart.

## HOMECOMING (CONT.)

1) With nothing better to do on a Friday night (hard to believe, huh?), Kyle Brooks and Denise Iverson set a new record for paper plane folding with 764 paper planes made in 17 hours. 2) While Doug Morse holds up his floor's entry in the "float" contest, Queen Vicki gives the 1st place award to Nancy Martin and her floor, Macy I. 3) Dave Adrian lays one up against Warner Pacific at the homecoming game. 4) Accompanying their floor's winning float, the pigs (Suzi Barnard and Renae Williamson) spend time with their friends the ducks. 5) Activities committee member, Tod Hall, pretends to make his dream come true.

# SPU TRIP

Approximately 150 GFC students rode chartered Hamman buses to Seattle for the February 2, 1980 "Migration to SPU." After spending the day touring Seattle and the Center, the students headed toward the Seattle Center Arena to watch the GFC vs. SPU basketball game. As well as the sport competition, the two schools battled in spirit, band performances, and half-time entertainment activities.

## DATE OF THE YEAR

Celebrating the leap year, February 29, 1980 hosted the formal "Date of the Year" for GFC students. Three surprise destinations were planned, the first being Sherwood Oriental Theater where silent Laurel and Hardy movies were shown. Dinner was served at the Masonic Temple in Portland. The night's activities concluded with a tour of the Pittock Mansion and the sights of Portland's magnificent night lights.

5

1) Making up for lost time, Butch Hart credits his success on the "Date of the Year" to plenty of rest, eating granola, and using Hai Karate aftershave. 2) Outside the Oriental Theater, the evening thrill seekers look over their new maps to the next destination. 3) President LeShana and wife Becky entertained at the "Miss Steak House" with a medley of love songs. (They are shown here making kissing sounds into the mike.) 4) Unruffled by Denise Beed's dare, Steve Bury tries to eat his dessert without letting it touch his lips. 5) Guests enter their first destination, the Oriental Theater. 6) Randy Barnes and Susie Dillon discuss an idea for after dinner. 7) Debby Cuerden seems to have found her "date of the year" in Rob Classen. 8) At the elegant Pittock Mansion, Dalla Alexander heads down toward the refreshments. 9) "Miss Steak House" head waiter Dan Dunn seats Margit Stangland while other guests read their menus and discuss the night's events. 10) With Tim Magee closely watching, Lon Thornburg enchanted the guests with his original tunes.

## MAY DAY

Finishing the year, the 1979-80 Activities Committee sponsored a "Country Bruin Jamboree" May Day. A variety of game and wanted poster booths, a root beer saloon, and the "Fox Theater" were all part of the day's activities. Sheriff "Jittery" Jerry Entenman presided over the campus with his country slang and trusty cap gun.

Reigning over the 1980 May Day festivities was Queen Sherie Winslow. Her court consisted of Sue Hart, Charlene Harris, Kathy Bodin, and Lori Beebe.

## ADMINISTRATION

*"For just as we have many members in one body and all the members do not have the same function, so we, who are many, are one body in Christ, and individually members one of another." Romans 12:4-5*

It is their job to make the college function smoothly. As each member of the staff carries out the necessary duties, the school functions, but each member is important in and of itself to keep the body functioning as one.

Some of the objectives in this division are to help students communicate in both oral and written expression and to challenge students to be creative. The task of the actor is to give life to the character. This sometimes requires projecting beyond his own experience. In the case of *Tell Me That You Love Me, Junie Moon*, the task seemed great indeed.

The play revolves around three "social misfits" who are handicapped in some way. Junie Moon, played by Gail Bumala, is a woman whose face has been scarred by acid, but whose spirit is very much alive. Warren, played by Ben Dobbeck, is confined to a wheelchair, and Jeral Ellingsworth portrays Arthur, who is frequently seized by debilitating fits.

The three decide to move out of the hospital where they are staying and into a place of their own. The play continues with them trying to make it on their own in a world that would prefer to ignore them.

The challenge of playing these characters was met head on and superbly accomplished by all.

*Tell Me That You Love Me, Junie Moon* is a play about determination and compassion. It speaks to that part of God in all of us that would call us to look beyond the outward appearance and see the heart.

# THE PIRATES OF PENZANCE

*The Pirates of Penzance*, a comic opera by Gilbert and Sullivan, was presented by fall term Music Theater. An outstanding job was done by all, but not mentioning Leah Pope, Charles Hernandez, Deolinda Morrow, Richard Zeller, and Jon Fodge would be an insult to these fine singers and actors.

*The Pirates of Penzance* featured Frederic, a young man who was to be apprenticed as a pilot but instead was apprenticed as a pirate by his hard-of-hearing nurse, Ruth.

Ruth tries to convince Frederic that she is beautiful, but upon the arrival of Mabel, General Stanley's daughter, Frederic soon finds out that Ruth is not as pretty as she says she is.

# A NIGHT ON BROADWAY

## MUSIC THEATER PREMIERS DINNER THEATER.

"A Night on Broadway" was presented for the first time, in Heacock Commons. Musical selections from four Broadway musicals were performed. Three consecutive nights for 80 dinner guests that were served by singing waiters and waitresses from the cast. Professor Joe Gilmore and Saga Jim Talbot combined talents for this successful experiment in dinner theater at George Fox.

Gilmore used dinner theater as a training ground for student directors. Leah Pope directed the segment from *Oklahoma*, Jerry Murphy directed scenes from *Camelot*, and Deolinda Morrow directed selections from *West Side Story*. Gilmore directed the *Carousel* segment.

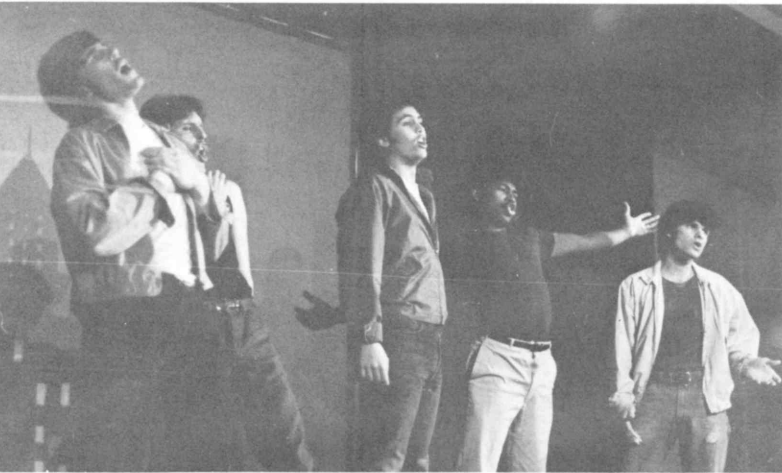

"A Night on Broadway" was both a culinary and musical success.

## THE VIGIL

*The Vigil*, written by Ladislav Fodor, asked the question: "Who rolled away the stone? Was it the gardener, or was it the power of the risen Christ?"

Presented in a modern-day courtroom setting, *The Vigil* asks the question we all must answer for ourselves.

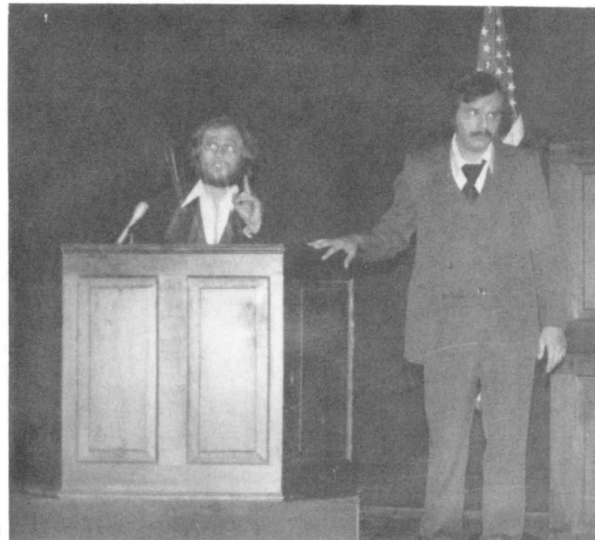

*The Vigil* was directed by student director Ben Dobbeck, who has been seen in numerous performing roles in the GFC community and who spent the summer of 1979 in a Communication Arts field-study experience as the initial drama director for "Action Company" in Manila, Philippines. *The Vigil* was Ben's stage-directing debut.

# THE KING AND I

Music Theater again demonstrates quality in their spring production of *The King and I* by Rogers and Hammerstein. The entire cast performed in quite a professional manner. From the drama to the dancing it was well done.

*The King and I* is based on Margaret Landon's best-selling novel *Anna and the King of Siam*. It is the story of Anna Leonowens, who has come to Bangkok at the request of the King of Siam to tutor his children and mellow his court through exposure to western culture. Even though conflict and fear come between the King and Anna, she becomes his advisor and helps him through perilous diplomatic adventures.

Anna's close friends are Lady Thiang, the head wife, and Tuptim, a Burmese girl who has been given to the King as a present but who longs for her true love, Lun Tha, a Burmese emissary. Anna prepares to leave after the King destroys Tuptim and Lun Tha's relationship. The King suffers a heart attack and Anna rushes to his side. As he dies, Anna realizes that she cannot go as her place is with young prince Chululongkorn. He was her favorite student, and he will need her now more than ever as he ascends the throne and prepares to be the kind of king his father was trying to be.

# SOCCER

In a 10-game season, a fairly young Bruin soccer team finished with a 2 and 8 record. Coached by Rob Armstrong and led by team captain Tim Sherman, the 1979-80 Bruins fielded a very competitive team, yielding half of their losses by a single goal while beating Western Baptist College (4-3) and Pacific University (5-1). John Bellamy played the goal most of the season with Keith Nottage leading the scoring at the other end of the field. Bruin soccer is rapidly gaining support and with most of this year's team expected back next year, a strong 1980-81 season is in the making!

## BASKETBALL

The Bruins provided the entire district with a lot of exciting basketball this season compiling an 18-12 record and a trip to the district play-offs. Hille van der Kooy, a 6' 11" junior from the Netherlands, led the team with an impressive 20.6 scoring average, 333 rebounds, and a Bruin record of 62 blocked shots. The supporting cast was made up of senior Jeff Loe (16.1), junior Phil Barnhart (12.5), sophomore Mike Royer (10.0), senior Dave Adrian (9.6), and junior Mike Brewer (8.1). Dave Adrian provided the team with a lot of support during the year even though he played with a great deal of pain because of a knee injury that kept him out of the entire 1978-79 season and 10 games of this year. Dave will be remembered as one of the best all-time, all-around players at George Fox. Phil Barnhart chased a Bruin record all year long, winding up with 172 team leading assists, only five short of the single season record of 177.

## TRACK AND CROSS-COUNTRY

George Fox College has developed one of the powers in Track and Field. In the last four years the only losses have been to University of Portland and OSU and they have had two seconds at District. They have won two championships. Their secret to success is the fact that despite the term "individual sport," Coach Rich Allen has grown deep roots of teamwork. And they are a team, from freshman to senior everyone helps, no one is counted out. It looks like this may be the secret that keeps the Bruins among the best college teams in the Northwest.

# WOMEN'S BASKETBALL

With a squad of only juniors, sophomores, and freshmen, the women's basketball team posted an encouraging 10-15 record under the direction of first year coach Jan Barlow.

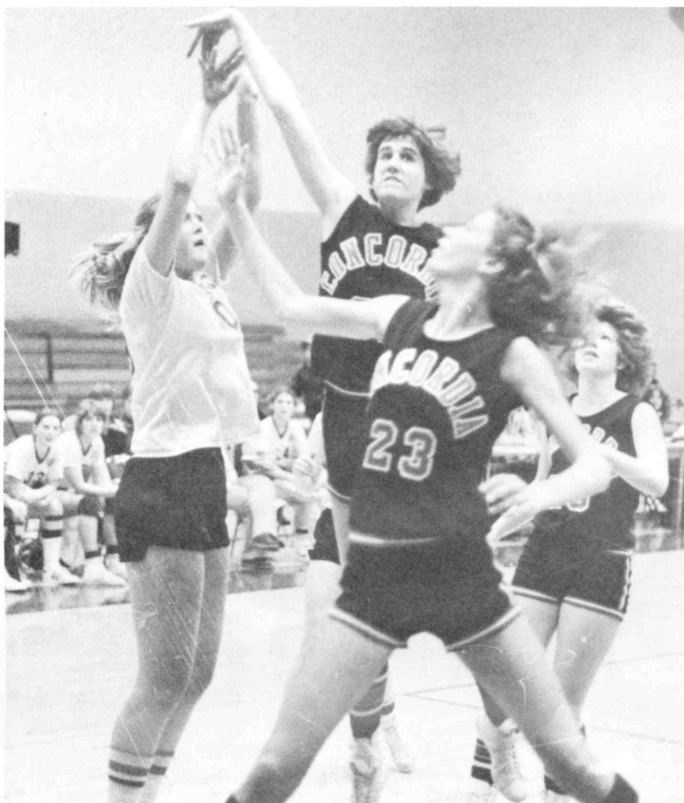

Debbie Wall as a junior center was awarded Most Valuable Player, as well as being elected to the WCIC 2nd team all-star. Sophomores Connie Olson and Kitty Kropf were Most Improved and Most Inspirational, respectively.

Height was a definite advantage in this year's team. Debbie Wall, at 5'11" led the squad as did sophomore Wendy Augustine at 5'8½". Lillian Jeske as a junior transfer added to the center strength at 6'2".

With a team with virtually every member returning, there is a high expectation as the women begin practice in November for the 1980-81 season.

The squad was made up of mostly underclassmen, and even though the season was not a winning one, there was much enthusiasm and hard work. With almost the entire team returning for the next year, the future looks encouraging.

## TRACK AND CROSS-COUNTRY

Bruin track women do it again! April 16, 1980, on Colcord Field the Bruin track women won their second straight WCIC Conference Championship. To do this it took many hours of practice and workouts under the direction of Coach Randy Winston. The women's team is undefeated in their dual, triangular, and four-way meets. Our most outstanding performance came from Sharon Dennis at the NCWSA Regional meet, by running 400 meters at 56.2, winning the Regional Championship. Other outstanding season performances were the 400-meter relay in 49.3 with Jacque Davis, Karen Maxwell, Jacque Williams, and Sharon Dennis; and the mile relay in 4:03 with the team of Sandra Burns, Jacque Williams, Sharon Dennis, and Karen Maxwell. Sharon Dennis was voted Most Valuable, Jacque Davis and LaDonna House were Most Improved, and Tina Stephenson was Most Inspirational.

## SOFTBALL

Under the direction of that handsome GFC graduate Mark Vernon, the women's softball team had a developing year in 1980. With only two seniors on the team, Kelley Davidson and Gail Bumala, much of the excellent talent came from juniors, sophomores, and even freshmen. Sue Messenger, as pitcher, hit over 390, while Lynn Killinger and Mary Kay Hansen followed with 300 marks.

However, defense proved a key asset, led by captain Pam Wood at shortstop, Mary Kay Hansen in center, and Alyn Thompson as catcher. In post-season awards, Wanda Johnson was Most Improved, along with Kelley Davidson and Mary Kay Hansen as Most Inspirational.

Finishing the season 2-10, the women and coach are highly optimistic about next year. With many returning letterwomen and new freshman talent, a strong nucleus will be developed for 1981.

## FIELD HOCKEY

With a new coach, Jan Barlow, the women's field hockey team endured sore muscles, cold weather, and tough competition to finish the season 10-14.

Many individuals received post-season awards that are worthy of recognition. Sophomore Hilly Wester was Most Valuable, as well as being a WCIC all-star team member. Joining her on the all-star team were sister Joann Wester and senior Kelley Davidson. Kelley was also Most Inspirational and freshman Tammy Boswell was Most Improved.

In their final season of competition, the girls showed promising talent. However, the program was dropped this year, and Barlow will now be coaching the volleyball team.

The young team made a lot of progress throughout the season in terms of improving their tennis skills. Freshman Jinnie Willard and junior Brenda Bagley showed that they were one of the best doubles teams in the district by compiling a 6-5 record. Jinnie played number one singles and finished with a 6-3 record. She was voted Most Valuable Player and Most Inspirational by her teammates. Sophomore Cindy Zweigart and freshman Denise Beed shared the Most Improved Player award.

## HOSTS AND HOSTESSES

Service with a smile seemed an appropriate motto for the Bruin hosts and hostesses this past year.

These eight selected students, under the direction of sports information director, Barry Hubbell, were present at all the home basketball games making spectators feel welcomed and passing out the Bruin program. Behind-the-scene work included serving refreshments for statisticians and media representatives, as well as organizing the preseason get-together for everyone involved in the basketball program.

All in all they were a valuable asset to the continually successful Bruin basketball program. Their classy uniforms and warm personalities were appreciated by all.

# RALLY SQUAD

This year's rally squad consisted of Denese Butts, Nancy Johnson, Sandra Burns, Steve Harmon, Dave Bowers, and Jeff Crosgrove. They traveled as far north as Seattle, as far east as Idaho, and as far south as Klamath Falls to support the basketball team. They contributed to what turned out to be a winning season in a number of ways. Along with leading the cheers, they arranged and were in charge of the "hoop-shoot" at half time. They also threw candy and small basketballs into the crowd during games. All of this, along with a winning basketball team, made the games more fun and spirited for everyone involved.

*I COULDN'T HAVE DONE  
WITHOUT FRIENDS*

*I'm soon to get a parchment  
That symbols a degree,  
But I'm well aware that my diploma  
Was not earned just by me.*

*I think of all the teamwork  
That's gone into my instruction  
My caring friends, my patient profs,  
Dad's money's fast reduction,*

*Calculus sessions nightly  
On the couch in Edwards lobby,  
Phone calls about Physics  
To the 'brain' who thought it hobby;*

*Together with a classmate,  
Deciphering as best  
The details of the History book  
To be covered on the test.*

*Our joint effort as scholars,  
Trying hard to figure how  
To understand that dreaded P. Chem  
Without throwing in de tau.*

*When college life seemed dreary,  
I had papers that weren't finished,  
My textbook wasn't nearly read  
And my motivation diminished,*

*My mailbox was still empty  
And my checkbook running low,  
I barely had time to catch my breath  
(But my roommate had time to sew),*

*I'd get a card from my secret brother  
With a verse from Paul in Rome,  
And just the times I needed  
Came encouraging calls from home.*

*My caring profs, for my ignorant  
questions,  
Explanations would devise,  
For all their time and patience spent  
They deserve a Nobel Prize.*

*It's a shame that my diploma  
Will only mention me,  
Because there's so many others  
That helped it come to be.*

*The past four years I've spent at Fox  
Have now come to an end.  
I've loved, and learned, and grown,  
and gained,  
Which I couldn't have done without  
friends.*

*—Jan Cammack*

*Dear friends, let us practice  
loving each other, for love  
comes from God*

*And those who are loving and kind show that they are the children of God, and that they are getting to know him better.*

*God showed how much he  
loved us by sending his only  
Son into this wicked world to  
bring to us eternal life through  
his death.*

*Dear friends, since God loved  
us as much as that, we surely  
ought to love each other too.*

*For though we have never yet  
seen God, when we love each  
other God lives in us and his  
love within us grows ever  
stronger.*

*And he has put his own holy  
Spirit into our hearts as a  
proof to us that we are living  
with him and he with us.*

*God is love, and anyone who  
lives in love is living with God  
and God is living in him.*

Jim was voted  
"most likely to succeed".

## Now look at him.

It's too bad. Jim had it made. Personality, initiative, a college degree with honors. Success and the "good life" were his for the asking. Now look at him. Back-packing across some jungle river, giving his life for some "hidden" people. Painstakingly reducing an oral language to writing with the help of people he's come to love. Working night and day translating the pages of the New Testament. Relieving pain and introducing the possibility of better health. Building a bridge of love and understanding to an alienated and neglected people.

And to think — Jim could have been a success.
